Under the standards, your DRE instructor certification is valid if you maintain your DRE certification and receive endorsement by your state coordinator. Your DRE state coordinator will be notified of the need to reapply for certification six months prior to the expiration date printed on your card.

State and local DRE coordinators should have copies of the document entitled "The International Standards for the Drug Evaluation and Classification Program." You should read this document carefully if you have any questions regarding the standards or the administration of the program. If you have any questions regarding the Drug Evaluation and Classification Program, please contact your DRE state coordinator.

Sincerely,
